WHAT MAKES CREDIT UNIONS DIFFERENT?

WHAT IS A CREDIT UNION?

Ethical savings and loans

A credit union is a financial co-operative which provides savings and loans to its members, acting as an ethical alternative to other financial providers.

MEMBER OWNED

Owned by our members

We are owned by and run for our members, meaning each member is welcome to attend our AGM every year to vote on how the credit union is run.

NOT FOR PROFIT

Receive an annual dividend

We are completely not-for-profit. At the end of the financial year, an annual dividend is paid back to members out of the profit that is generated.

EXCLUSIVE

Only certain people can join

As a Service Person you are welcome to join Military CU. Once you join, any family members living at your address can also join the credit union.
